

DC3 News!

Hello DC3 Family!

I wanted to begin by saying I am so grateful to be connected with great people like you! It was so good to see those members who were ready to return to in-person service while others continued to be the church online or worship in the parking lot. It's been a journey, and I'm so glad I get to do it with you. The spring has come and gone and summer is upon us. Let me give you a brief rundown and you make sure you go to the app and website to get all the other great info so you will be in tune with your church. 1) We had a successful first phase of our transitioning back to in-person worship. Now that we are in phase 2 with one service until September, let's keep making progress!

2) We had several Vision Projects we planned on completing this year and the first one, building 4 additional classrooms, started the beginning of June! Hopefully this project will be finished by the beginning of August. Of course we also asked you to help us purchase the land beside the church. Things were going as planned with that project for us to purchase and Albertson's went back on their word and began to delay the purchase. What I need from you is to partner in prayer with us that Albertson's will agree to do what they said and sell us the property or that God will set it up where it is cheaper or even donated to us. Thank you to those who have given to our Vision Projects. We use your money to help with these necessary projects and will always keep you updated. Thank you!

3) Youth and Children will have Vacation Bible School in-person in July!!! It will be safe and engaging, so get your 5-15 year-olds registered! We also need volunteers. Plenty of volunteers. Not just for VBS, but for the rest of the summer and the fall. Will you set aside some time to make a difference in the next generation? Email students@dc3online.org or simply go to the DC3 App and fill out a volunteer form so we can continue to grow an impactful youth and children's community.

4) We're celebrating 13 years as a church on June 27th with a POWERFUL SUNDAY MORNING CONCERT/WORSHIP EXPERIENCE! It will be free, and we will expand capacity that Sunday, but we still need you to register in order for us to keep an accurate count to keep you safe while you worship. I'm asking each person to give God a thank offering of \$25, \$50, \$100 or more or your best gift. It will help us invest more in our youth, complete more vision projects, and continue to meet needs in our community as we do weekly. Thank you for trusting my leadership in advance on this.

5) Finally, we have some great classes that will be offered this summer online that will teach fashion, food (where to eat and types of food to enjoy), how to start a business and how to strengthen the business you already have. We're looking to start all of this in the middle of July, so stay tuned! Food distribution has gone every week since we started. That's right at 52 weeks. We're going to give our volunteers a break and return sometime in August! Thanks Volunteers! July is our sabbath month where we scale back and try to minimize extra activity except the things we must do to come back strong for August. Pay attention to the website, app and emails to stay in the loop.

Let's start the summer strong and end it even stronger! Continue to join us whether in-person or online. Don't drift in your relationship with God this summer. Have fun, but keep growing in your relationship with God through worship, prayer, church attendance, giving and service! Remember, our theme for 2021-2022 is Taking the Initiative. Do what you know you are supposed to do without anyone having to ask you because you are a D-I-S-C-I-P-L-E of Christ. For all other info, questions, concerns, you know what to do. Take the Initiative and use the many ways to get info and help keep others informed as well.

I love you with the Love of the Lord!

Pastor Marcus D. King
