Message from Pastor King

Greetings DC3 Nation!

It's a new season with new opportunities to fulfill the assignment God has given us individually and as a church. I first want to say thank you to our members and partners for a phenomenal 2021! More of that will be shown on Vision Sunday on February 6th, so don't miss it! Secondly, we have some great things planned as far as our outreach, grow groups, online ministry, youth and children and so much more in store for you and our community. So, stay tuned in so you can get plugged in.

I do want to share some AWESOME news about our land that we have raised money to purchase where the old fuel station was on the side of our church. You guessed it. You have to wait until Vision Sunday for that too! We've made some great upgrades for 2022 to make getting connected to get involved easier and to serve you better. The plan only works its best when people like yourself join together to make the greatest impact on lives. I'm excited that you're going to be even more engaged this year than ever before. Impact will be phenomenal, and God will get all of the glory!

Thank you for your faithfulness in giving. We're still in a pandemic, but the consistency and faithfulness of not only our veteran givers, but the heart of our newest givers is helping us to achieve the vision God has given us. Vision costs time, energy and money. I'll unpack the next 2-5 years of plans on Vision Sunday, so I'll talk more with you then. Until then, let's live out our theme for the Spring and be COMMITTED! DC3 IS STILL the place to be because of people like you! Let's take it higher! Remember, it's not just about what you can do for your church. We want to pray for you and we have resources to teach, train and develop you as we do every year.

Pastoralcare@dc3online.org is how you tell us how we can be a blessing to you. We love you. I love you with the Love of the Lord.

Pastor Marcus D. King
